## Further Information

I am signing this Election Integrity Pledge because free and fair elections  
are the cornerstone of a successful and  
working democracy; subject to an independent,  
credible Election Commission which enjoys the  
confidence of Malaysians. I have reason to doubt  
the EC's credibility.

I consent to the above information and statements being published by Transparency International Malaysia at its sole and absolute discretion, and I agree that Transparency International Malaysia shall not be responsible or liable for any loss or damage that may be directly or indirectly caused to me or any other person, however arising.

I also agree that the signing and publication of this pledge is not in any way an endorsement of my candidacy by TI-Malaysia.
